business card request form

In an effort to provide you with the highest level of service & quality, please plan ahead, allowing sufficient time for the production of your project. The standard turnaround time for business cards ranges from two to four weeks. Please allow 1 week for project design, 1 week for printing, and 1-2 weeks for shipping. Shipping is greatly reduced when multiple orders are put in at once. If you know of another staff member who needs cards, please let them know you are placing an order. Thank you.
